Gardening Tips... for a happy life!

Plant four rows of peas:

Peace of mind
Peace of heart
Peace of soul
Peace of spirit

Plant four rows of squash:

Squash gossip
Squash indifference
Squash hatred
Squash selfishness

Plant four rows of lettuce:

Lettuce be faithful
Lettuce be kind
Lettuce be happy
Lettuce be loving

No garden should be without turnips:

Turnip for service when needed
Turnip to help one another
Turnip the music and dance
Turnip a frown into a smile

Water freely with patience and cultivate with love.

There is much fruit in your garden, because you reap what you sow.

To conclude your garden you must have thyme:

Thyme for fun... Thyme for rest... Thyme for yourself

Pretty nice garden, don't you think?

So how does your garden grow?

Just food for thought!

May your garden be richly blessed... Chaplain Randy
